

SPIREX™

PATENTED DESIGN & TECHNOLOGY

saving energy • heating or cooling • temperature transfer

GPI000 SERIES

C

GENERAL PURPOSE

www.vaportec.co.nz

gp@vaportec.co.nz

Inner tube (Primary)

316 Stainless Steel

Temperature range up to 350°C at 900Psi

Chemical resistant inner tube
(check chemical compatibility)

Cleanable

Compact and light

Shell outer (Secondary)

316 Stainless Steel

Temperature range up to 350°C at 900Psi

Chemical resistant shell
(check chemical compatibility)

Compact and light

Some usage examples:

- aquaculture
- beer brewing
- wine & juice making
- processing (food)
- hydroponics
- dairy industry
- solar hot water
- hydraulics
- pneumatics (air/gas)
- oils
- glycols
- saturated steam
